EVER>NEW
TECHNOLOGY

Cresswood's exclusive Ever New Technology allows for replacement of all key wear items to bring your machine back to like-new standards.

The SR-300 and SR-360 are the most compact "Dump and Go" hopper-fed grinders Cresswood offers to grind chunks, blocks, and short boards. The aggressive Destroyer cutterhead featured in these machines allows them to grind all types of green and dry wood. The SR-300 and SR-360 are ideal for truss, furniture, cabinet manufacturing, and pallet recycling companies.
