

Grinder Models:

XR - 2400

Common Applications:

Pallets / Crates
Particle Board
Blocks / End Cuts

HARDWORKING AMERICAN-MADE MACHINERY

EVER>NEW
TECHNOLOGY

Cresswood's exclusive Ever>New Technology allows for replacement of all key wear items to bring your machine back to like-new standards.

The extreme duty XR-2400 grinders are ready to take on the challenge of your high volume wood scrap including: pallets, crates, particleboard, chunks, blocks, end cuts, slabs, and drops over the long-haul. These machines are perfect for pallet recycling, pallet, truss, cabinet, and furniture manufacturing companies. The XR-2400 features a 70" long, 24" diameter rotor. The XR-2400 boasts its robust 1" thick steel plate frame, extreme capacity cutting chamber, oversized ram, and shipping weights of 29,000 pounds!
